**REQUEST FOR REPUBLICATION OF PATENT
APPLICATION PUBLICATION UNDER 37 CFR 1.221**

SIR:

In reviewing the Notice of Publication of Application and U.S. Patent Application Publication No. 2008-0226681-A1, Applicants submit the published application contains a material mistake with respect to one of the Inventors, wherefore the Inventor's name has been misspelled in the Patent Publication. Upon filing the US Patent Application, the Application Data Sheet included the correct spelling of the inventor, and therefore Applicants request the above-identified application to be republished.

37 CFR 1.221(b) allows for the republication of patent application when the Office "makes a material mistake which is apparent from Office records." *See 37 CFR 1.221(b)*. The material mistake is listed as follows:

The published application contains the misspelled name of one of the Inventors, which should be listed as "Hans Baumeister".

Early and favorable action is earnestly solicited.

FEES

It is not believed that a fee is due concurrent with the filing of this paper, however, should the Commissioner determine that a fee is in fact due, the undersigned authorizes that such fee be charged to Deposit Account No. 14-1263.

Respectfully submitted,

NORRIS MCLAUGHLIN & MARCUS, P.A.
